

CAST FOR A CURE

Catch and Release Fly Fishing Tournament

Sunday, June 13, 2010

Presented by Nevada Fishing Service, all tournament proceeds will benefit JDRF of Northern Nevada to fund research to find a cure for diabetes and its complications.

\$250 fee per person—including:

- **Minimum of four (4) hours of fishing in private trophy lakes**
- **NY Steak sandwich lunch with keg beer (provided by Blue Ribbon Meat Co. of Sparks) and Nevada Fishing Service (Shaun Gilbert)**
- **Great prizes (will be posted at www.nevadafishingservice.com)**
- **Amazing fly fishing — at last year's tournament a contestant caught 65 fish in one round!**

Cast for a Cure will be limited to 30 fly fisherman and will occur at Sand Hill Lakes, located approximately 30 minutes North of Reno. These are private trophy waters operated by Nevada Fishing Service that include Rainbow Trout hybrids up to 16 lbs., Brook Trout up to 3.5 lbs., Brown Trout up to 7 lbs. Largemouth Bass and other large species which will cause even the most experienced fisherman to be challenged!

**Sand Hill Lakes at Ross Creek Ranch—90 Saddle Lane, Reno, 89508
Located 17 miles East on Red Rock Road from 395 off the Red Rock Exit**

The tournament includes at least four hours of fly-fishing time; the group will be split into two and will each fish one of two trophy ponds to see who can catch the most fish in two hours. Then, the groups will switch ponds for another two hours. At the end of the four hours, the eight fishermen that caught the most fish will advance to a third round for another two hours to again battle for quantity of fish caught. *At this time, eliminated fisherman can buy in to keep fishing for \$100.* The final round will consist of the top four quantity winners, who will compete for the largest catch.

Official tournament rules and information will be posted at www.nevadafishingservice.com.
